A7. Field Investigator's introduction & taking the respondent's informed consent:

*My name is \_\_\_\_\_. I am a student at \_\_\_\_\_. I have come on behalf of the Lokniti programme of the Centre for the Study of Developing Societies or CSDS, a research organization that is based in Delhi. We are conducting a survey on Governance and Politics all across Gujarat in the run up to the assembly elections, for which we are interviewing thousands of voters aged 18 years and above. There is no risk and also no benefit in participating in this survey and your participation is voluntary. But if you answer our questions, you will help us in understanding what the public feels about the state of governance and politics in Gujarat today. This survey is an independent study and is not linked to any political party or government. Your identity and whatever information you provide will be kept strictly confidential. You can withdraw at any point during the interview without giving any explanation. The findings of this survey will be eventually shared with the people in the form of articles. It usually takes about 25 minutes to complete this interview. It may even take less time than that. I would be grateful if you could spare some time & help me in completing the survey.*
