Introduction of the Field Investigator and Consent of the Respondent:

My name is _____. I am a student of _____. I have come from Lokniti, Program of the Center for the Study of Developing Societies (CSDS), a research organization based in Delhi. We are conducting a survey of teachers teaching in Delhi's government schools, in which we want to know the opinions of teachers on some issues related to schools and teachers. Your participation in this survey is voluntary, but if you take this survey and answer our questions, you will help us understand what issues teachers face today. This survey is an independent study and is not associated with any political party or government agency. Whatever information you give will be kept completely confidential. This survey will be used to write articles in newspapers. It will take approximately 10-15 minutes to complete this survey. Please take a moment and help us complete the survey.
