INVESTIGATOR'S INTRODUCTION AND STATEMENT OF INFORMED CONSENT

My name is _____ and I have come from the Centre for the Study of Developing Societies (also give your University's reference), a social science research organization in Delhi. We are conducting a national survey to find out people's opinions on the government, politics and economy. For this purpose, we are interviewing thousands of people across the country. Your participation in this survey is voluntary but if you take part in this survey and answer our questions, you will help us in understanding how the public feels about issues facing the country today. This survey is an independent study and is not linked to any political party or government agency. Whatever information you provide will be kept strictly confidential. The findings of this survey will be used for TV programmes and writing articles in newspapers. It usually takes about 20-25 minutes to complete this interview. Please spare some time and help me in successfully completing the survey.
